Re: Finance Docket No. 35116, RJ Gorman Railroad Co.,
Beech Creek Branch Line - Construction and Operation
Between Wallacetown and Gorton, PA
Preliminary Consultation
Centre and Clearfield Counties

Dear Ms. Basehore;

I am writing in response to correspondence received from Surface Transportation Board regarding the above-referenced project proposal. Regional staff have completed a preliminary review of the proposal.

Our Waste Management program would have an interest in this railroad project since it would directly affect the landfill permit application for the proposed Resource Recovery, LLC landfill. For more information regarding this issue, please contact James Miller of our Waste Management program at 570-327-3431.

Sincerely,

Robert C. Towel
Regional Director
